Good Morning,

Due to scheduling challenges, DEC would like to propose holding our next meeting of the HHC Technical Workgroup in early May. This will be the last meeting before a summer hiatus. Holding a meeting in May will also allow time to develop a gap analysis of the project to date and key materials for discussion around statewide/regional/site-specific concerns that may influence the HHC development process.

Please use the following Doodle poll to note your availability: <http://doodle.com/poll/pxxd5qnv2iru5kup>

Once I have a collective response- I'll send out a formal Outlook meeting invitation.

Thank you for your efforts. Please feel free to send me your questions and concerns.
